

Pink Ribbon Breakfast

Tips and tricks to having a great breakfast

Plan your breakfast before the day

Kick start your event by planning well and setting up a personal check list;

e.g. Venue	Have it at your home, office or at the park
Date	Host it during a weekday or the weekend
Time	Breakfast, brunch or other
Invitation	Email them out, post one on Facebook or do it using traditional post (sometimes it's a good idea to follow up with a phone call) You can also download invitations to send out too!
Catering	Make your own, get in the caterers or get your guests to bring a plate!
Decorations	Balloons, ribbons, pink everything!
Entertainment	Music, games
Speaker	Someone interesting, a friend affected by breast cancer?
